Remarks

10 flat useable acres with shared well, power close with easy access. This is one of 2 surveyed 10 acre parcels out of a total of 80 (2-10's and 3 20's and all on the market) 5 acre minimum but most in the area are larger. Close to state land that is accessible for riding, mountain views, good footing for the horses and in a secluded area for maximum privacy.
